Future Generation Investment Company Limited (ASX: FGX) gives investors the opportunity to gain unprecedented access to a group of prominent Australian fund managers in a single investment vehicle while supporting Australian charities focused on children at risk.

The FGX investment portfolio has been structured to provide a spread between three broad equity strategies: long equities, absolute bias, market neutral and cash. The composition of the portfolio will vary over time in terms of strategies, funds and managers.

The Company's investment objectives are to provide fully franked dividends, to achieve capital growth, and preserve shareholder capital.

Fund Managers:

Charitable objectives

FGX is actively making a difference with a significant, permanent and growing income stream for high impact charities working to better the lives of young Australians.
