

FUTURE GENERATION
GLOBAL INVESTMENT COMPANY

THE FUTURE GENERATION GLOBAL INVESTMENT COMPANY PROVIDES:

Shareholders with exposure to the best global fund managers without paying management or performance fees.

Charities with a stream of annual donations. One percent of assets are invested in charities each year. This investment is less than the savings generated from foregone management, performance, service provider, Board and committee fees.

Fund managers with a unique opportunity to make a positive difference to Australia's future generations.

Future Generation Global Investment Company Limited (ASX: FGG) is Australia's first internationally focused listed investment company with the dual objectives of providing shareholders with diversified exposure to selected global fund managers and changing the lives of young Australians affected by mental illness.

The FGG investment portfolio has been structured to provide a spread between three broad equity strategies: long equities, absolute bias, quantitative strategies and cash.

The Company's investment objectives are to provide long-term capital growth and fully franked dividends, and to maximise total shareholder return.
