

April 2025 Monthly Update

Future Generation Women

DO WELL. DO GOOD.

An investment fund advancing economic equality and opportunity for women and their children in Australia

Investment Objective

The Fund's investment objectives are to provide a combination of income and capital growth over the medium-to-long term through investing in Australian and global equities.

Social Objective

Future Generation Women wants to see Australia unlock its full potential – through increased participation by women – and become the fair, productive and competitive economy it can be. To help achieve this, Future Generation Women will donate an amount equal to 1% of the Fund's average monthly net asset value (NAV) to non-profits advancing economic equality and security for women and their children in Australia.

Investment Strategy

Future Generation Women seeks to provide investors with exposure to a diversified portfolio of Australian and global equities, managed by selected leading female fund managers. The Fund's portfolio consists of a balanced mixture of various Australian and global equity strategies, including long and long/short equity.
