Voting exclusions – Resolution 1

Resolution 1 is indirectly connected with the remuneration of members of the key management personnel of the Company (KMP Members). In accordance with the requirements of the *Corporations Act 2001*(Cth) (Corporations Act) the Company will disregard any votes cast (in any capacity) on Resolution 1 by or on behalf of:

- a KMP Member, other than the Chair; and
- a closely related party of those persons (such as close family members and any companies the person controls), unless the vote is cast as proxy for a person entitled to vote in accordance with a direction on the proxy and question form.

In regard to votes cast by the Chair as proxy for a person entitled to vote in accordance with a direction on the proxy and question form, the Company will not disregard such votes by the Chair provided that the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a KMP Member.

What this means for Shareholders: if you intend to appoint a KMP Member (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on Resolution 1. If you appoint the Chair as your proxy, and you do not direct your proxy how to vote on Resolution 1 on the proxy and question form, you will be expressly authorising the Chair of the Meeting to exercise the proxy even if the resolution is connected, directly or indirectly, with the remuneration of the KMP which includes the Chair. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 1.

Other information

An Explanatory Memorandum accompanies and forms part of this Notice. All Shareholders should read the Explanatory Memorandum carefully and in its entirety. Shareholders who are in doubt regarding any part of the business of the Meeting should consult their financial or legal adviser for assistance.

Proxies

If a member appoints two proxies, the member may specify the proportion or number of votes each proxy is entitled to exercise. If no proportion or number of votes is specified, each proxy may exercise half of the member’s votes. If the specified proportion or number of votes exceeds that which the member is entitled to, each proxy may exercise half of the member’s votes. Any fractions of votes brought about by the apportionment of votes to a proxy will be disregarded.

Explanatory Memorandum

This Explanatory Memorandum sets out further information regarding the proposed resolutions to be considered by Shareholders of Future Generation Australia Limited (the Company) at the 2026 Annual General Meeting (AGM) to be held at 10:00am (AEST) on Wednesday 20 May 2026 at Museum of Sydney, Warrane Theatre, Corner of Bridge Street & Phillip Street, Sydney NSW 2000 and online via <https://meetings.lumiconnect.com/300-261-766-387>.

The Directors recommend that Shareholders read this Explanatory Memorandum before determining whether or not to support the resolutions.

Financial statements and Reports

The financial report and the reports of the Directors and of the Auditor for the financial year ended 31 December 2025 will be laid before the AGM, as required by Section 317 of the Corporations Act. The Corporations Act does not require a vote of Shareholders on these reports.

The Company's 2025 Annual Report (which includes the Directors', Auditor's and financial reports) is available on the Company's website: www.futuregeninvest.com.au. Meeting attendees are invited to direct questions to the Chair in respect of any aspect of the report they wish to discuss.

Representatives of the Company's Auditor, Pitcher Partners Sydney, will be present for discussion purposes on matters of relevance to the audit.

Resolution 1 – Adoption of Remuneration Report

The Company's Remuneration Report sets out the remuneration arrangements for the Directors and key management personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report of the Company for the financial year ended 31 December 2025.

The Corporations Act requires that at a listed company's AGM, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company. The Board will take the outcome of the vote into account when considering the future remuneration arrangements of the Company.

Shareholders will be given reasonable opportunity at the AGM to ask questions about, and make comments on, the Remuneration Report.

*The Directors unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 1. The Chair of the AGM intends to vote all available proxies **FOR** Resolution 1.*

Resolution 2 – Re-election of Director - Gabriel Radzyminski

BA (Hons) MCom

Gabriel Radzyminski has been a Director of the Company since October 2013. Gabriel is managing director of Sandon Capital Pty Limited, an investment management firm specialising in activist investing. Sandon Capital Pty Limited is the investment manager of Sandon Capital Activist Fund and Sandon Capital Investments Limited. Gabriel has been involved in the financial services sector for more than 27 years.

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. If Resolution 2 is passed, Mr Radzyminski will be re-elected as a director of the Company and if Resolution 2 is not passed, Mr Radzyminski will cease to be a director of the Company.

*The Directors (excluding Mr Radzyminski) strongly support the re-election of Mr Radzyminski and unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 2. The Chair of the AGM intends to vote all available proxies **FOR** Resolution 2.*

Resolution 3 – Re-election of Director - Kate Thorley

BCom CA GAICD

Kate Thorley has been a Director of the Company since April 2015. Kate has over 21 years' experience in the funds management industry and more than 26 years of financial accounting and corporate governance experience. Kate is the Chief Executive Officer of Wilson Asset Management (International) Pty Limited, Director of WAM Capital Limited, WAM Leaders Limited, WAM Research Limited, WAM Active Limited, WAM Microcap Limited, WAM Global Limited, WAM Strategic Value Limited, WAM Income Maximiser Limited and Future Generation Global Limited.

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. If Resolution 3 is passed, Ms Thorley will be re-elected as a director of the Company and if Resolution 3 is not passed, Ms Thorley will cease to be a director of the Company.

The Directors (excluding Ms Thorley) strongly support the re-election of Ms Thorley and

unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 3. The Chair of the AGM intends to vote all available proxies **FOR** Resolution 3.

Resolution 4: Election of Non-Board Endorsed Candidate as a Director – Stephen Mayne

By notice to the Company, Mr Mayne, an external non-Board endorsed candidate, has nominated himself to stand for election as a non-executive Director under Rule 35(h) of the Company's Constitution.

The Board has considered Mr Mayne's nomination and objectives in the context of the experience and qualifications of current Board members, as well as the experience and qualifications required to support the Company's requirements and strategy. The Board recommends shareholders vote against Mr Mayne's election as a director, for the reasons set out below.

The Chair intends to exercise all available proxies against Resolution 4.

Resolution 4 is NOT supported by the Board

Mr Mayne's nomination was received shortly before this Notice was finalised, and the Company has therefore not verified Mr Mayne's statement below or completed its standard processes in relation to his candidacy. This includes the Company's usual due diligence, background, financial, and reporting checks, and qualification verifications as are standard for all Director candidates and in accordance with the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations.

Having regard to the current Board composition, diversity, skills mix and independence, the Company's existing governance practice, and the absence of any identified skills gap being addressed, the Board have determined not to endorse Mr Mayne's nomination. The Board's independent Chairman is one of six independent Directors.

The Board has a well-defined nomination process to identify and recruit Directors in a professional and structured manner. Prospective Director candidates with the requisite skills, knowledge, experience, independence and diversity are reviewed and references sought. The process the Board undertakes balances the introduction of a variety of skills to the Board while maintaining appropriate continuity, and aims to ensure that Shareholders are given the opportunity to elect the most appropriately qualified and experienced candidates to the Board.

The Board is satisfied that appropriate governance arrangements are in place, and refers to its publicly

available Corporate Governance Statement and Corporate Governance Charter.

Accordingly, having regard to these matters and the best interests of the Company, the Board has determined not to support Mr Mayne's appointment and unanimously recommend that shareholders **VOTE AGAINST** Resolution 4. The Chair of the AGM intends to vote all available proxies **AGAINST** Resolution 4.

Information provided by Mr Mayne

Mr Mayne requested the following information be included in this Notice. This information **has not been verified** by the Company.

"Stephen Mayne, 56. BComs (Melb). GAICD. Stephen is a Walkley Award-winning business journalist and Australia's best known retail shareholder advocate. He was the founder of www.crikey.com.au, publishes the corporate governance website www.maynereport.com, writes regular columns for The Intelligent Investor and co-hosts The Money Café podcast with Alan Kohler. His governance experience includes 8 years as a City of Manningham councillor, a 4 year term (2012-2016) as a City of Melbourne councillor, almost 5 years on the Australian Shareholders' Association board and asking questions at more than 1,300 ASX listed company AGMs since 1998. Stephen nominated for the Future Generation Australia board out of concern about the over-boarding of co-founder director Geoff Wilson who currently sits on 15 public company boards, and chairs 8 of them, which is more than anyone else in Australia. Mr Mayne is also concerned over the disrespect that Mr Wilson shows to retail shareholders across the 15 boards he sits on by holding multiple AGMs too close together on the same day, reducing the time available for debate and board accountability. For instance, the 2025 Future Generation Australia AGM commenced at 10am on May 21 and the AGM of sister company Future Generation Global commenced at 11.15am on the same day. Indeed, Mr Wilson held 7 of his Wilson-branded LIC AGMs on November 19, 2025 and is proposing to increase this in 2026, despite requests to space them over multiple days. Whilst Mr Wilson provides his funds management services pro-bono to our company, his 100% owned management company is taking more than \$80 million a year in fees from the 9 Wilson-branded LICs and Mr Wilson insists on chairing all but one of those companies, refusing to embrace the best practice of having an independent chair to better manage the obvious conflict of interest given the size of fees taken. Stephen believes electing him to the FGX board will help drive governance improvements across Mr Wilson's LIC empire. Contact Stephen by email at Stephen@maynereport.com or via www.maynereport.com."
